

EXAM SELF-ASSESSMENT

How much did you study for the exam the two days before the exam?

How much did you study for the exam throughout the unit?

What study methods do you use (how do you study)?

Where do you typically study (for example, in the library, in front of the TV, with friends, etc.)?

Do you feel you take thorough notes in class?

Do you read the text assignment before you come to class?

If you don't understand something, do you ask questions in class? If not, what stops you from asking questions?

What stops you from coming in to see your instructor if you don't understand something?

What grade did you get on this exam?

What grade did you expect?
